

MEET GARY

Facing homelessness a seventh time, Gary had nowhere to turn so he turned to God, praying on the floor of the apartment he was about to lose. That's when he found the Tacoma Rescue Mission.

"I'd been in a homeless program before but this was completely different. They accepted me," Gary shares. "I became a part of the Mission's New Life [Recovery] Program and that's exactly what they gave me – a new life."

Gary graduated from our recovery program and has been thriving in his own apartment surrounded by a newfound community of friends.

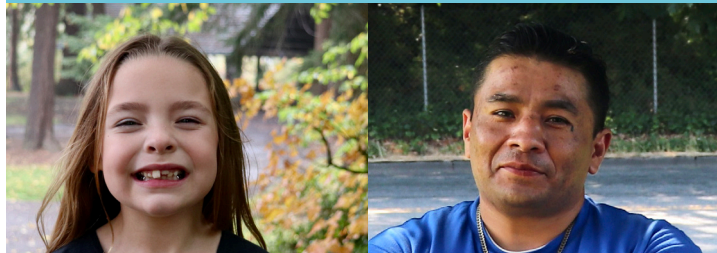

OUR MISSION

Sharing God's love, hope & support with our neighbors in need to uplift communities.

OUR VISION

That every person experiencing homelessness in Pierce County has a pathway into a stable home as they pursue God's plan for their lives.

A MESSAGE FROM DUKE

Every number in this report represents the stories of men, women, and children in our community who experienced meaningful, whole-life transformation and restoration.

George, Heather, Patrice, Celena, Ricardo, Tammy, and Barbara are just a handful of those who came to the Mission in need and left with new lives, lasting stability, and a new, supportive community around them.

Their stories are possible because of the generosity, dedication, and courageous love of friends like you. This ministry is your ministry.

As a crucial part of this ministry, I want to share with you how we've reimaged our Mission, Vision, Purpose, Values, and Equity statements heading into 2025.

Over the past 113 years, we've learned, grown, and adapted to meet the changing needs of our community members experiencing homelessness and hurt in the most dignified and loving ways possible.

As we've evolved as a ministry, so have our identity statements. I invite you to scan the QR code below to learn more. You'll also be able to read other exciting Mission updates and transformational stories and view a digital version of this impact report.

Thank you for your faithful support. Here's to a new year of sharing God's love, hope, and support with our neighbors in need to uplift our whole community!

In Christ,

Duke Paulson
Executive Director
